## ABOUT US

We are a Digital Marketing Start-up by 11T Bombay students. Our young, tech-savvy, and innovative team has all that it requires to get a 10/10. Be it content creation, or graphic designing, or social media management. We have it all under one roof. Our team consists of personalities that vary from each other, so it helps provide the services as per convenience.

## OUR TARGET

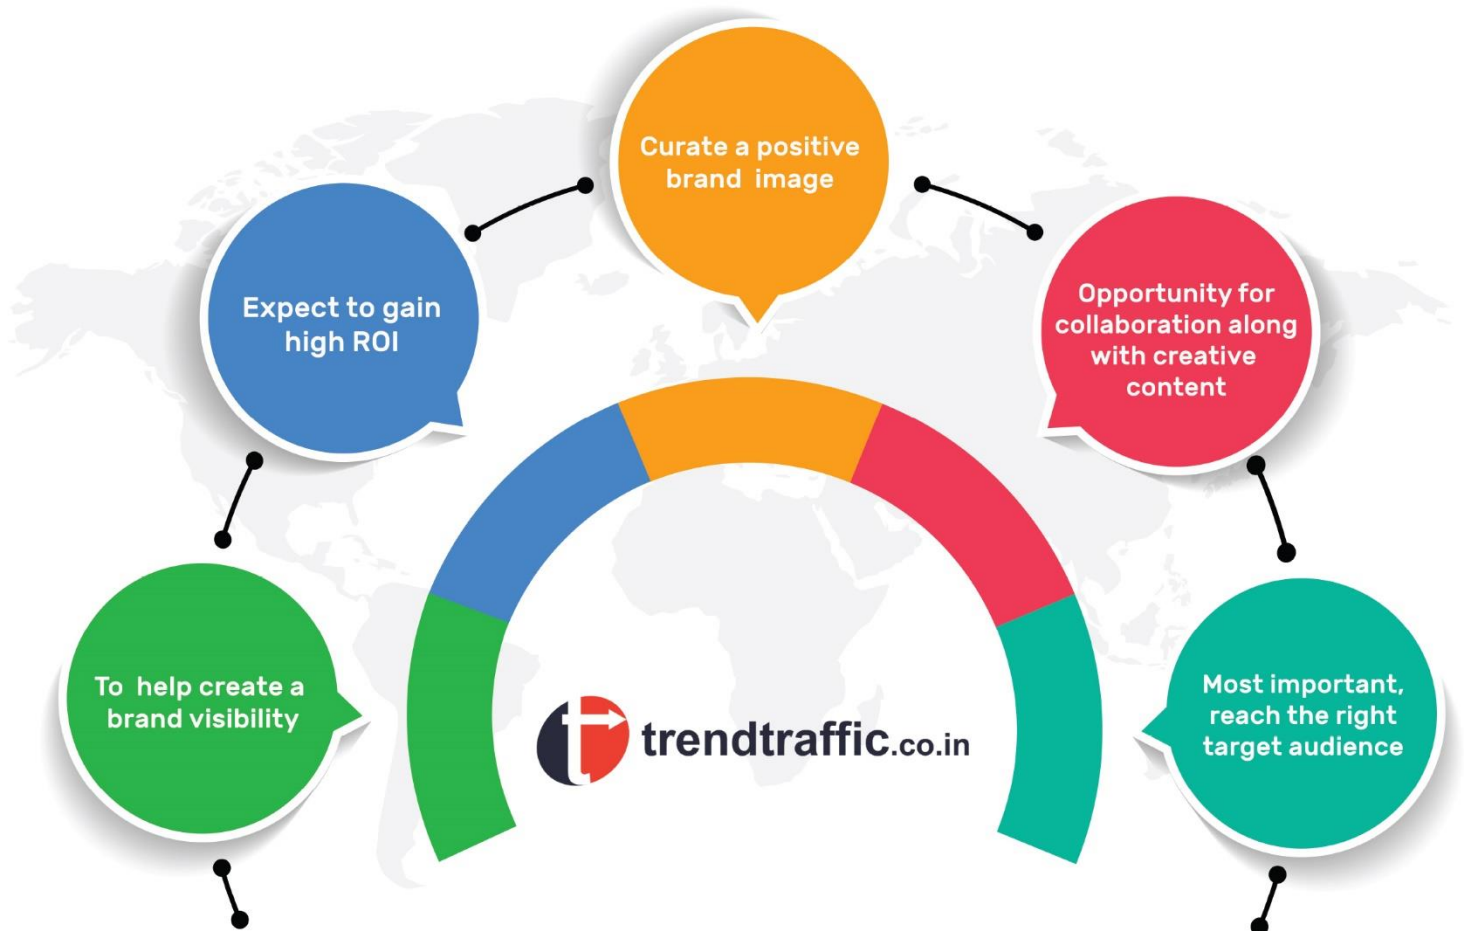

At TrendsTraffic, we provide Digital Marketing services, including social media management, content creation, and paid promotions to SEO. Our main aim is to connect brands with influencers directly and vice-versa.

## OUR PLAN

The first and best element in our business plan is we don't not have any mediators on the way. It's all in-house services provided which means ample space for customisation. We provide paid promotions like Google Ads, Facebook Ads, and Instagram Ads too at a very friendly budget. Graphics and Digital Content creations are our strengths. SEO services along with social media management are what we expertise in. Services should be great in quality rather than the quantity we produce.
